CCFNA PRESS CONFERENCE

Subject: Announcement

Dear CCFNA Members, Partners, and the Cameroonian Community at Large,

We are pleased to announce that the Cameroonian Cultural Festival of North America (CCFNA) is officially resuming all activities, now that the situation in Cameroon has stabilized and is under better control. We continue to stand in solidarity with our brothers and sisters back home, and we remain committed to promoting peace, unity, and constructive dialogue across our global Cameroonian family.

Today, we are excited to share the new date for our Press Conference and the official launching ceremony of CCFNA's 2026 Festival.

Saturday, December 13, 2025

1750 Rockville Pike, Rockville, Maryland 20852

From 4 PM till 9PM

This press conference will mark an important milestone as we formally unveil our 2026 Festival vision, present our commissions, outline our roadmap, and distribute tasks and resources to all members involved in organizing the event.

001.4432545046 

It will also be a unique opportunity for the public and the media to gain firsthand insight into the mission, goals, and transformative potential of CCFNA.

We invite all CCFNA members, commission leaders, volunteers, community organizations, partners, and supporters to attend this important event. Together, we are building something historic—an initiative that celebrates our culture, empowers our community, and strengthens the bonds that unite Cameroonians across North America.

Thank you for your patience, your solidarity, and your unwavering commitment.

Let us move forward with renewed energy, unity, and purpose.

CCFNA – 237 United in Diversity

With gratitude and respect,

Christophe Tapa

On behalf of CCFNA Leadership
